**7 The Green, Southgate, N14**

## **London Recorded by Camera: Street Photography in the East End**

**A Talk by Stefan Dickers - Special Collections &  
Archives Manager at the Bishopsgate Institute**

© Bishopsgate Institute / London and Middlesex Archaeological Society

Photo Courtesy of Bishopsgate Institute)

**An exploration of  
the development of  
street photography  
in the East End  
from the 1850s to  
the Present Day.**

**Fledgling photographers attempted to record the social  
conditions of the area and its people, such as the markets,  
flourishing docks and shipyards of the Isle of Dogs.**

# **Visitors Welcome!**
